Tuition Agreement: Tuition is based upon a school year or a session. It is paid in multiple installments based on the number of classes for that session: Fall and spring equal 36 weeks or 9 months of tuition, Summer is equal to 4 weeks or one month's tuition. ***Tuition is not refundable*** so we recommend everyone take advantage of our free trial class to insure they're pleased with our programs. Clients enrolling for fall or spring session must pay first and last month's tuition at time of sign up with their registration fee. This is only waived if students are enrolled for 4 or more classes in that session. ***Tuition is not billed*** and will be due the first of every month. Clients receive a grace period of five days to pay tuition. ***Tuition not paid by the seventh of each month will be charged a late fee of $5.*** You will be contacted in your preferred method of communication before the 1st of the month and before the 7th to be reminded. Any tuition not paid after the fourteen of the month will be charged a late fee of $10 and $5 will be added every 7 days until the tuition is remitted in full. ***To discontinue, we need written notification in letter or e-mail two weeks prior to the next installment or they will be charged for an additional full installment. Students who discontinue classes may not attend make up classes after un-enrolling.***

Policy Agreement: I have received and reviewed the studio brochure and agree to the policies as listed concerning dress code, insurance, missed and make-up classes, late arrivals, student drop off and pick up, registration, tuition, late fees, observation, class progression, student conduct, inclement weather, recitals, and video/photography. By signing this document, I am agreeing to abide by these policies as listed here and in the brochure. Additionally, I understand that if I do not abide by these policies, I will not be afforded the services Dance Foundations offers.
